Agribusiness Management	EconS 352 _____	and	EconS 452 _____
Agricultural Marketing	EconS 351 _____	and	EconS 451 _____
Agribusiness Management/ Finance	EconS 335 _____		

2. Free electives necessary to equal 16 hours in EconS: **EconS 430** \_\_\_\_\_  
**EconS 433** \_\_\_\_\_  
**EconS 483** \_\_\_\_\_

Students are expected to work with the school advisor for all minors (Phil Wandschneider) to obtain approval of courses taken prior to enrollment. Students must maintain at least a “C” average in all school courses attempted. Courses taken Pass/Fail will not count towards the requirement in any minor.

It is the student’s responsibility to complete form REGIS109, “Petition for Certifying a Second Major or a Minor” and obtain required signatures from Maggie Kettwig in 101 Hulbert Hall. This will result in the School receiving a copy of the student’s transcript upon graduation. The School will then certify that requirements for the minor have been met.

To be eligible to certify in economics, minor students must have a cumulative GPA of 2.0. Minors in economics require 18 hours of economics, nine of which must be 300-400 level, with an overall GPA of at least a 2.0 in the required courses. Courses for the minor may not be taken pass, fail. No course for the economics minor may be taken on a pass/fail basis. A total of 6 hours transfer work may be counted toward the minor requirements for courses *at the 100 or 200 level only*. All other course work must be taken in residence at WSU.
